

# OVERVIEW

The Cosmetology and Personal Care Services program teaches students a variety of skills such as hair care, nail care, and skin care. Students also learn about safety and sanitation and create a salon portfolio and business plan.

## AVAILABLE INDUSTRY CERTIFICATIONS

Students have the opportunity to earn Industry Based Certifications. These certifications help students stand out in interviews, help students gain confidence in a subject area, and give students valuable experience in preparing for the level of rigor required for industry certification exams they may face in the future.

### **Cosmetology operator License**

Students who enroll in Cosmetology II have the opportunity to earn this certification.

# OVERVIEW

The Family and Community Services program introduces students to the knowledge and skills needed for a career in social services such as counseling and mental health, social work, and community health.

## AVAILABLE INDUSTRY CERTIFICATIONS

Students have the opportunity to earn Industry Based Certifications. These certifications help students stand out in interviews, help students gain confidence in a subject area, and give students valuable experience in preparing for the level of rigor required for industry certification exams they may face in the future.

### **Community Health Worker**

Students who enroll in Human Growth and Development have the opportunity to earn this certification.
