

# OVERVIEW

The Fashion Design program prepares students to enter a career in the fashion industry. Students will learn to create original clothing and accessories by completing the design process from sketch designs to fabric and pattern selection to creating the finished product.

## AVAILABLE INDUSTRY CERTIFICATIONS

Students have the opportunity to earn Industry Based Certifications. These certifications help students stand out in interviews, help students gain confidence in a subject area, and give students valuable experience in preparing for the level of rigor required for industry certification exams they may face in the future.

### **Adobe Certified Professional Illustrator**

Students who enroll in Fashion Design I have the opportunity to earn this certification.
