

**SUBJECT: Legacy Parent Academy 2023-2024**

---

Legacy Parent Academy sessions aim to inform parents, staff, and community members about relevant topics related to academics and student well-being. Academy sessions are supplemental to campus-based programs and initiatives. Campuses are asked to publicize this information on campus websites and other means of communication. Please note that all sessions are at Legacy Stadium, except for the first session on September 13, which will be held at the Leonard Merrell Center.
