

Katy Book Wars Permission Slip

Students in grades 6-8 will work in teams of three to five to read 24 books throughout the school year. Teams will compete in a school-wide competition the week of March 18 to determine the team that will represent the school in our district-wide Katy Book Wars Competition on March 27th at Woodcreek Jr High.

Each student on the winning team will receive a medal. Participation certificates will be issued to every student. The team that wins the district competition will receive the Katy Book Wars trophy to display at their school until the next year's competition.

The selected books were chosen from the 2024 TLA Lone Star Reading Lists. Parents can find more information about the books at the Texas Library Association's website:

This year's Katy Book Wars Reading List:
