### Service Guidelines 2022-2023

---

#### VOLUNTEER HOURS -- BASIC INFORMATION:

- Verification of hours is ONLY ACCEPTED ELECTRONICALLY through X2VOL.
- All members must enter hours in x2Vol **DURING THE SAME MONTH THE HOURS WERE COMPLETED**. Hours submitted after the month ends in which the service was completed will be denied. If you volunteer on the last day of the month, you **MUST** submit your hours **THAT DAY**. ie. Any hours served in August must be submitted and dated by August 31; any hours served in September must be submitted and dated by September 30. **NO EXCEPTIONS.**
- Hours served during Summer months must be submitted and dated by August 31. Keep in mind, if you volunteer at an organization in June but don't submit till August, that organization may not verify your hours. **Rule of thumb, submit your hours when you complete the service.**
- Verification for ALL HOURS must come from an email address **ASSOCIATED WITH THE ORGANIZATION RECEIVING YOUR SERVICE**. No personal, generic email domains (gmail, hotmail, outlook, etc.) will be accepted for verification unless the student provides a screenshot of the organization's website showing that email associated with the person verifying the hours. For example, if you volunteer at the Ballard House under NCL, YMSL, etc., you must sign in **AT BALLARD** and submit your hours to the volunteer coordinator **AT BALLARD** to verify your hours.
- All submissions must include a title (the name of the event), a complete description (where the activity took place and the physical activity involved), and a reflection that shares **how the community was impacted by your service**. If you sign up for a project posted in x2Vol and the description does NOT include all necessary information listed above, include it in your reflection.
- It is the expectation that members check x2Vol regularly as the responsibility is on the member to follow up on any hours that are denied or unverified. **Denied hours always include a comment stating what needs to be completed, if eligible for resubmission.** Allow advisors at least one week to review hours.
- Community service hours earned at SLHS, schools in the community, and/or non-profit organizations may be documented and used for this program as long as they meet current guidelines.

***Any unique circumstances which do not fall under these guidelines should be discussed with your Advisor prior to beginning the project.***
