

Dear Parents,

Congratulations! Your son or daughter has the opportunity to travel with teachers and students from school on a trip of a lifetime to **London and Paris in 2025**. There is limited space with only 15 spots available and space is available on a first-come, first-serve basis. We are holding a mandatory meeting for those who are interested in learning more about this opportunity (RSVP below).

This program is an 8-day educational tour to London and Paris. Students can receive high school credit for attending this tour and recent studies have shown that students who participate in a global education program while in high school are more likely to get into the college of their choice and hold leadership positions on campus.

We are hosting a mandatory enrollment meeting on **December 5<sup>th</sup> at 6:00 pm in the LGI** to answer your questions. If you are interested in your child participating in this experience, the deadline to sign up is December 15<sup>th</sup>. EF is offering a \$200 scholarship for all travelers who attend the meeting and enroll by this deadline. We are expecting the trip to fill up before the deadline and space is strictly available on a first-come, first-serve basis.

You can lock in the price of the tour and reserve your spot by registering online at the meeting with just \$95. The price of the tour will be revealed at the meeting, along with monthly payment plan information. I sincerely hope you will come and learn more.

**Please RSVP by December 4<sup>th</sup>** so we know how many people to expect: <https://bit.ly/3SPc3SG>

Hope to see you there!
