As the parent of a student at a Title I campus, you have the right to request the following information about each of your child's classroom teachers.

- The qualifications of any paraprofessional providing services to your child.

- Each school has a Title I Parent & Family Engagement Plan which describes the school's plan for involving parents in their child's education.
- The Title I Parent Information brochure, which is sent home to each family, includes detailed information about Parent's Rights and the Title I program at the campus and district levels.

- Each school provides a Title I School/Parent Compact. The compact outlines how parents, campus staff, and students share responsibility for improved student performance.
- Research shows that when parents know what their children are doing in school and it is reinforced at home, children will be more successful.
