ABOUT

Thanks to Bond Proposition B approval, Katy ISD will provide Chromebooks to students in grades 3-12, enhancing their learning experience inside and outside the classroom.

DEVICES

Students will receive a Chromebook, a charger, and a clear case for added protection. Each Chromebook will be labeled with the student's name and the Katy ISD Police Department phone number.

INSURANCE

During your annual school update, you'll have the option to get insurance for your child's Chromebook at \$20.00 per year, covering up to 2 repairs or 1 replacement. This provides cost-effective protection for potential damages.
