SHAW CENTER HOSTS FAMILY STEAM NIGHT IN OCTOBER

On October 20th the Shaw Center hosted a FSN for district students. Activities included a face painter, Planetarium from the Houston Museum of Natural Science, Fishing's Future, the University of Texas Petroleum Engineering Activity, Rice University Chemistry and Physical Science Experiments and much more. STEM was the common theme of these activities. NHS Student volunteers were key helpers.

BOND NEWS

- The Shaw Center is part of the upcoming 2023 Katy ISD Bond.
- Proposal is to add 4 additional bays to the Shaw Center to accommodate robotics teams that are from high schools not in existence during the original 2015 construction.
- Space will also be used to expand field trip, summer camp and family steam night programs.

FIELD TRIP NEWS

Schools visiting us this month were ACE 3rd, BJH 6th, GE 3rd, MCTC HS, FES 3rd, JEE 3rd, RAE 2nd and BHE 5th.
