CLASS RANK

KISD uses a weighted 4.0 grading scale. Class Rank is based on a cumulative grade point average for grades 9-12, plus high school courses taken in junior high and credits earned via preapproved Katy ISD provider(s). Students are officially ranked for the first time after the fifth semester in high school.

Katy ISD only ranks the top 10% of the senior class. Quartile will only be populated on transcripts for students who are in the 1st, 2nd or 3rd quartile. Quartile will not show for students in the 4th quartile or students new to Katy ISD. A full year, one period course consisting of two semesters is equivalent to one credit.
