Use this list of courses as a guide to help you select your classes in SchoolLinks. Each student must select one course from each of the required areas: English, Math, Science, Social Studies and PE. Students planning for 7th grade will select one elective course and students who qualify for GT in ELA will select two elective courses and have no reading course. Students may not receive their first choice elective due to insufficient enrollment in a course, scheduling conflict, or over enrollment in course. Final placement into courses is contingent upon campus approval. GT placement requires the student to have met specific Katy ISD screening criteria.

**DIRECTIONS:** CIRCLE one course from each of the required areas of English, Math, Science, Social Studies and PE. Mark required courses by circling the course number for the course.  
**IMPORTANT:** List Fine Arts/Elective choices in order of preference. Student and parent should review all course guidelines and course selections should be made based on the student's individual strengths, interests and commitment.
