Parent/Guardian #2 Name: Last, First	Parent/Guardian #2 Primary Phone:	
Parent/Guardian #2 Email Address:		

Use this list of courses as a guide to help you select your classes in SchoolLinks. Each student must select one course from each of the required areas: English, Math, Science, Social Studies and PE. Students planning for 8th grade will select two elective courses. Students may not receive their first choice elective due to insufficient enrollment in a course, scheduling conflict, or over enrollment in course. Final placement into courses is contingent upon campus approval. GT placement requires the student to have met specific Katy ISD screening criteria.

DIRECTIONS: CIRCLE one course from each of the required areas of English, Math, Science, Social Studies and PE. Mark required courses by circling the course number for the course. **IMPORTANT:** List Fine Arts/Elective choices in order of preference. Student and parent should review all course guidelines and course selections should be made based on the student's individual strengths, interests and commitment.

REQUIRED COURSES - 8th Grade	
ENGLISH AND READING	
J802	English 8
J806	English 8 KAP

GT	Gifted and Talented
GT course placement requires the student to meet specific KISD screening criteria.	
LOTE	Languages other than English
(sem)	Semester course
^	Program requires director/sponsor approval
*	High school credit course

Dear Parent/Guardian,
Course selection for the upcoming 2023-2024 school year has begun. Important dates for course selection are listed below:
February 5 – March 8, 2024 Counselors meet with students individually to review course requests
March 18 – March 26, 2024 Course Verification – Parents verify courses and request course changes in SchoolLinks

There are different formats for the core courses from which to choose:

- Academic** - on grade level and designed to prepare students for high school and college
- KAP (Katy Advanced Placement)** - prepare students for Advanced Placement courses (college level instruction) while in high school
- KAP/GT (Gifted and Talented)** - placement requires the student to have met specific KISD screening criteria and have been accepted into the G/T program

Katy ISD has an open enrollment policy for advanced academics. Early enrollment in these courses contributes to student achievement in later years. KAP courses are designed to challenge students beyond grade-level academic courses and prepare them for success in future advanced level coursework. Students may require encouragement and support from both family and campus to be successful in advanced academics. Please review your child's report card and test scores in making course level decisions. Please note that students often enrolling a combination of course formats. Consider each course separately when deciding to select Academic or KAP.

Thank you for your careful consideration of courses for your child.
After completing the worksheet, please see the next steps on how to enter courses in Course Planner in SchoolLinks starting on February 5th.
