Use this list of courses as a guide to help you select your classes in SchoolLinks. Each student must select one course from each of the required areas: English, Math, Science, Social Studies and P.E. Students may not receive their first choice elective due to insufficient enrollment in a course, scheduling conflict, or over enrollment in a course. Final placement into courses is contingent upon campus approval. GT placement requires the student to have met specific Katy ISD screening criteria.

DIRECTIONS: CIRCLE one course from each of the required areas of English, Math, Science, Social Studies and PE. Mark required courses by circling the course number for the course. **IMPORTANT:** List Fine Arts/Elective choices in order of preference. Student and parent should review all course guidelines, and course selections should be made based on the student's individual strengths, interests and commitment.
