Course Request
worksheets due to
science teacher

Step 1: COURSE REQUEST WORKSHEET

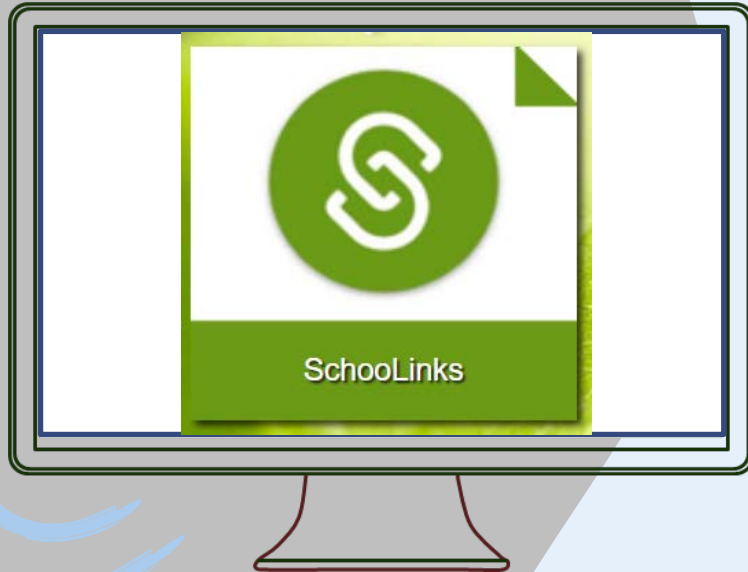

This is a TOOL. You will mark
your choices on this worksheet.

**DUE TO
SCIENCE
TEACHER
BY FEB 7**

KAY KAYAK Last Name: _____ First Name: _____ Student ID: _____	
Use this list of course offerings to help you enter your course requests into SchoolLinks. This worksheet will be turned in to your science teacher as well. Each student must select one course from each of the required areas: English & Reading, Math, Science, Social Studies, Physical Education. You will then determine your top four choices for your elective and write them in at the bottom of the course offerings worksheet. Students may not receive their first choice elective due to scheduling conflict or over enrollment in a course. GT placement is based on meeting GT screening criteria.	
Courses Entered in SchoolLinks: <u>January 28 - February 6</u>	
Course Request Worksheet Due to Science Teacher: <u>February 7</u>

Elective Course Requests - List your elective choices in order, with #1 being your top choice.

Elective Choice #1 _____

Elective Choice #2 _____

Elective Choice #3 _____

Elective Choice #4 _____

Strategic Reading and Math Lab are intervention courses that may be required for students who did not pass the STAAR and/or based upon documented reading and/or math levels. These courses will take the place of the student's PE or elective.

MATH

ELAR
Block

SOCIAL
STUDIES

SCIENCE

You will make your selection for core content by placing a check mark next to the course you would like.

KAP Program

Designed to
challenge
students.

Meant to prepare
students for
advanced courses
in high school.

More
independent
learning

Doesn't mean
more work or
homework

What should I take?

Academic

Select Academic if you are currently in academic and the course is really a struggle for you.

KAP

Select KAP if you are currently in Academic and making an A, or if you're making at least a B in KAP.

You can take a combination of
KAP and Academic.

Math is the Exception

- If you are in KAP math now, you will automatically move to KAP math in 7th grade.
- If you are in Academic math now, you will automatically move to Academic math in 7th grade.

Interventions

Math Lab

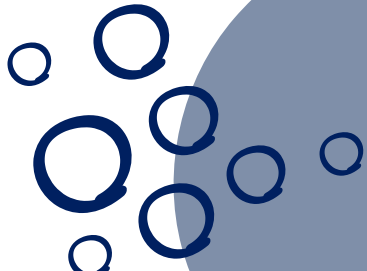

SLED

Strategic
Reading

You will be placed in an intervention in the event that you do not pass STAAR.

7th Grade Fine Arts Electives

	Band – Year 1 or 2
	Orchestra – Year 1 or 2
	Theater Arts – Year 1 or 2
	Art – Year 1 or 2
	Choir – Year 1 or 2

- If you would like to continue the current elective, you will request year 2.
- If you are requesting an elective for the first time, you will choose year 1.

LEADWORTHY

- This course helps students to develop motivation, leadership and personal business skills.
- Projects and service activities are included.
- This course focuses on team building, goal setting, problem solving.

PUBLICATIONS

- Students apply writing skills, photography.
- Students will use computers and team work to design and publish the yearbook.
- Afterschool commitments
- Application is required

CAREER INVESTIGATIONS

Students explore the 16 career clusters

Students participate in career preparation activities

- *Students work on the computers*
- *Project based*

TOUCH SYSTEMS & WEB COMMUNICATIONS

Touch Systems

- One half credit
- Enhance communication, reading, writing, computing skills and apply to business environment
- Provides technical and keyboarding skills
- Students will apply touch systems data entry for production of business documents

Web Communications

- One half credit
- Use digital technology to work with others
- Learning to make positive on-line footprint
- SOME web design and coding

Who Can Help Decide?

Teachers

The diagram consists of three overlapping circles. The leftmost circle is light blue with a thick black border and contains the word 'Teachers'. The middle circle is light blue with a dark blue border and contains the text 'Ms. Williamson'. The rightmost circle is dark blue with a light blue border and contains the word 'Parents'. The circles overlap in the center. Below the circles, there are several white circles of varying sizes and a trail of small dark blue dots extending towards the bottom right corner.

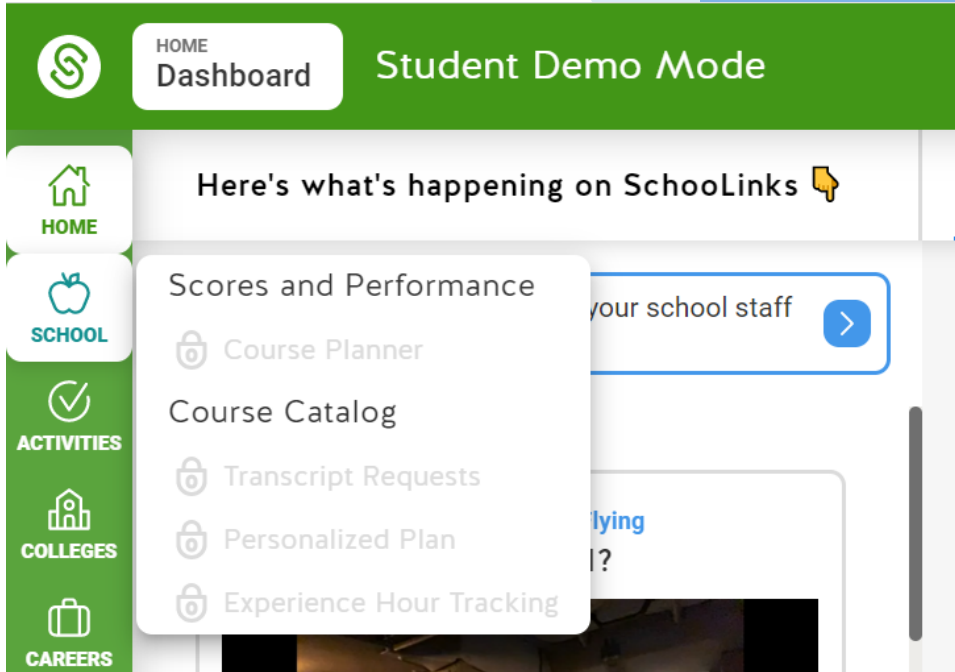

Ms.
Williamson

Parents

SCHOOLINKS

- A tile on MyKaty Cloud
- Will be required to complete “onboarding” the first time you log in – an interest survey
- You will be required to watch a brief “how to” video when you click on Course Planner for the first time.

SchoolLinks

- You will click on “school” on the left-hand side and then choose “course planner.”
