

Counselors from Hayes, Nottingham Country, and Exley will be facilitating at Hayes Elementary School on Tuesday evenings 6:00-7:30 beginning October 3<sup>rd</sup> and free childcare will be provided.

Remember to contact [MarciaGJones@katyisd.org](mailto:MarciaGJones@katyisd.org) with RSVP.

Click [here](#) to register with the district and order your workbook (\$10).

Details: [Parenting the Love and Logic Way](#)

### ***What Is Love and Logic All About?***

The Love and Logic Institute is dedicated to making parenting fun and rewarding, instead of stressful and chaotic. Practical tools and techniques are provided to help adults achieve respectful, healthy relationships with their children. Work is based on a psychologically sound parenting whole-child philosophy called Love and Logic.

### ***What Is Love and Logic?***

Children learn the best lessons when they're given a task and allowed to make their own choices (and fail) when the cost of failure is still small. Children's failures must be coupled with love and empathy from their parents and teachers. This practical, research-based philosophy is backed with over 45 years of experience. Parents can apply it immediately to a wide range of situations instead of struggling with difficult counseling procedures.
