Frequently Asked Questions (FAQs)

WHO IS ELIGIBLE TO TAKE A GPA EXEMPT COURSE?

- Students **must** maintain a 4.0 or above grade point average (GPA).
- Students must have an overall B average in the prerequisite course for elective courses for which they are seeking a waiver.
- Successful completion of prerequisite courses specific to a pathway or a program of study.
- Students must maintain a B average in the GPA exempt course to qualify and maintain GPA exempt eligibility.
- Students must obtain approval from their school counselor. Parents and Teachers will be notified during the approval process.
- Students may take a maximum of three (3) credits on a GPA Exempt basis during their high school career.
- Students must be in 10th, 11th, or 12th grade.
- Students understand they must be in their 2nd, 3rd, or 4th full year of *continuous enrollment* in the same program to meet eligibility for GPA-exempt status. Completion of prerequisites and/or corequisites required.
- For more information, see your counselor, teachers, director, or coach.

HOW ARE GRADES HANDLED IN A GPA EXEMPT COURSE?

Students who are eligible and choose to take one of these courses for a GPA EXEMPT grade:

- Will receive a numerical grade all year on the report card.
- Will receive the actual numeric grade with a comment or label indicating “GPA exempt” on the Academic Achievement Record (transcript).
- Will receive credit for these courses, but also have these courses excluded from the computation of GPA and class rank.
- Exemptions are granted on a semester basis.

WHAT ARE THE PERFORMANCE STANDARDS FOR THESE COURSES?

- The numerical grade earned will be reported on the report card.
- Students are expected to complete all assigned work in a GPA-exempt course including tests and semester exams.
- Students eligible to exempt semester exams may choose to exempt a GPA-exempt course.

HOW WILL GRADES IN A GPA EXEMPT COURSE AFFECT ELIGIBILITY FOR EXTRA-CURRICULAR ACTIVITIES?

The numerical grades earned in a GPA Exempt course will be used to determine eligibility for participation in all UIL or school-sponsored activities. In addition, numerical grades will also be used to determine honor roll each six-weeks; for qualifying criteria used in selection of students for various positions such as dance team officers, class officers, exam exemptions, etc.; for eligibility for academic awards, including admission to organizations such as National Honor Society; etc.

IF A STUDENT COMPLETES A LEVEL ONE COURSE DURING ONE SCHOOL YEAR BUT DOES NOT ENROLL IN THE LEVEL TWO COURSE DURING THE NEXT SCHOOL YEAR, THEN ENROLLS IN A LEVEL TWO COURSE DURING THE FOLLOWING YEAR. ARE THEY ELIGIBLE TO EXEMPT THE LEVEL TWO COURSE?

Yes. Each year’s exemption stands alone. This qualifies as continuous enrollment in a coherent sequence.

IF A STUDENT EXEMPTS A COURSE DURING ONE SCHOOL YEAR BUT DOES NOT ENROLL IN THE COURSE DURING THE FOLLOWING YEAR. DO THEY LOSE THE EXEMPT STATUS FOR THE FIRST YEAR?

No. Each year's exemption stands alone.

CAN A STUDENT DROP A FULL YEAR GPA EXEMPTION COURSE AFTER THE FIRST SEMESTER IS COMPLETED?

If a student completes the course with a B average or better for which a GPA waiver is granted, the course will be GPA exempt. Students are expected to complete a full-year course for which a GPA exemption has been approved. In extenuating circumstances where a student is approved to drop a GPA-exempt course after the first semester is complete, the student will receive the first semester credit as GPA exempt. However, the remaining 0.5 GPA exemption cannot be applied to another course during the second semester or following year. The requested 1.0 GPA exemption is considered to be fully expended. If a student drops a full-year course before the close of the first semester for which a GPA exemption has been approved per established district guidelines. The new course the student enters is not eligible for a GPA exemption. In this case, the GPA exemption is available for use the following semester/year, if requested and approved according to established guidelines.

DOES A STUDENT HAVE TO MAINTAIN ENROLLMENT IN A SINGLE ATHLETIC SPORT TO BE ELIGIBLE FOR AN EXEMPTION?

No. Any athletic enrollment can qualify.

HOW DO STUDENTS ENROLL IN A GPA EXEMPT COURSE?

Students interested in taking one of the GPA Exempt courses must discuss this option with their school counselor at the beginning of the course. If the student meets all the criteria, they must:

1. Complete the online GPA Exempt application located in [MyKaty Cloud](#).
2. Submit the application no later than **September 19, 2024**. At this time, if all criteria are met, it will be approved, and a schedule change will be made to reflect enrollment in a GPA Exempt course.
3. Once a student makes the decision to take a course as GPA-exempt, the decision is final and cannot be changed.
4. Students enrolled in full-year courses do not need to reapply during the second semester, they must maintain a B average in the GPA exempt course to remain qualified for their GPA exempt eligibility.

Students, including move-in students, who miss the **September 19, 2024** deadline, may apply for exemption for the second semester if they meet the criteria. The second semester deadline is **February 14, 2025**.
