

Parents and community members will have the opportunity to review proposed instructional materials and provide feedback. Proposed instructional materials for the Katy ISD courses listed below will be on display during business hours (8:00AM-4:00PM) for parent and community input at the Education Support Complex until March 1 with evening opportunities on February 27 and February 29 from 4:00 PM – 7:00 PM. Parents and members can also access proposed materials by utilizing the links below.

- Science – K – 5th Grade
- Science – 6th – 8th Grade
- Chemistry
- Physics
- Integrated Physics and Chemistry
- Biology
- Aquatic Science
- Environmental Systems
- Earth Systems Science
- Technology Applications – K - 8th Grade
- AP Literature
- AP Language
- AP European History
- AP Psychology
- AP African American Studies
- Mexican American Studies
- Personal Financial Literacy and Economics
- Forensic Science
- Elements of Data Science
- Principles of Education and Training
- Instructional Practices
- Human Growth and Development
- Health Science Theory
- Medical Terminology
- Pharmacy I, Pharmacy II and Pharmacology
- Computer Science I and II
- Engineering

Review digital materials under consideration.

Please follow the link to provide feedback.
