

Elementary Parent Notification Letter

*Instruction will be provided by physical education teachers in **elementary** settings.*

According to Texas House Bill 1525, Katy ISD is required to provide instruction relating to human sexuality. Katy ISD, with guidance from the School Health Advisory Council (SHAC), has approved the curriculum that will be used to teach this topic and has determined the grade level(s) that will receive instruction on this topic. In accordance with Texas House Bill 1525, elementary students in fourth and fifth grades will receive instruction in human growth and development. All lessons are aligned with the TEKS and meet the requirements mandated by the state. Under Texas statute, parents must give their consent, allowing their child to participate in the lessons that address human growth and development.

Below is the parent consent window and the time frame when lessons will be taught in the spring:

Parent Consent Window: February 3rd – March 7th

Instruction Window: April 7th – May 22nd
