

# MEETING MINUTES SHAC

**DATE:**

03/27/2024

**TIME:**

1:02-2:20

**FACILITATOR:**

HC Grimet

**IN ATTENDANCE**

See Attached list

**MEET AND GREET**

The meeting is required to be recorded and posted to the SHAC website within 10 days.

**KATY ISD NUTRITION DEPARTMENT**Danielle Talk

We began playing a Kahoot Breakfast Trivia Game. It was National School Breakfast Week w/o March 4th. There is a new Mango Pineapple Smoothie being launched in elementary schools and Smoothie Bowls at the secondary schools. There are currently 28 campuses receiving Free Breakfast through the Community Eligibility Program (CEP). KISD is trying to promote Free Breakfast on each campus by hanging posters at the campus.

**HARRIS COUNTY PUBLIC HEALTH**Laverne Metayer

Ms. Metayer visited the SHAC Meeting to speak on behalf of the Lead Poisoning Prevention Team. She brought a wealth of knowledge regarding Lead Poisoning, how you could receive it, where it comes from and how to protect yourself. Encourage parents to have kids tested. Promote good eating habits and look for signs of lead

poisoning. Washing hands often and increasing the Vitamin C will decrease your chances of contracting lead poisoning.

### **2024-2025 SHAC MEETING DATES**

H.C. Grimet has sent proposed dates to the district for approval.
