SB 9 PERSONAL HEALTH AND GUIDANCE LESSONS

KISD Presenters included: Jodi Slaughter, Latrice Patton, Kelly Price

Elementary & JH Abuse and Violence Prevention

- September 30th: Opt - In Window closes
- October 2nd: Parent consent reports emailed to the campus
- Campus will manage any Parent Opt-In changes
- Nov. 4th - Dec. 20th: Counselors deliver guidance lessons
- Campuses will include dates of instruction in communication to parents

CATCH: FENTANYL AND SUICIDE AWARENESS

KISD Presenter: HC Gimet

Tuckers Law was in honor of a young man from Leander, Tx, and he took one pill that he thought was a Percocet and was laced with Fentanyl. Unfortunately, one pill kills. We must educate our students about the consequences if taken. The Fall and Spring semester has a dedicated Fentanyl Canvas course. The course will include a short video. Teachers will be trained on how to answer questions from our students.

Ft. BEND HEALTH AND HUMAN SERVICES

Presents: Kaila Williams

Community Health Assessment - Conducted 2022

Data collected and came up with recurring needs, such as:

- Mental Health
- Housing
- Obesity
- Heart Disease
- Maternal Health/Prenatal Care

The department designed a new plan called "CHIP", Community Health Improvement Plan.

- Explained CHIP process
- Explained goals for each prior needs
- Next steps for KISD is to partner with FB Health Dept. to review CHIP and CHA

REFLECTIONS / QUESTIONS / CLOSURE

None

NEXT MEETING
