

SHAC MINUTES

Date: Thursday, October 14, 2021

Time: 9:03 am - 10:29 am

List of Attendees attached

I. Meet and Greet

Meeting is now required to be recorded and will be posted on the SHAC website within 10 days.

Members/Guest were introduced, and meeting norms discussed.

II. Food and Nutrition Update/Local Wellness Policy (LWP) Checklist

Donna Pittenger Executive Director Nutrition Food Services

Last year we were able to serve 6.9 million meals to our community (breakfast, lunch, dinner, boxed meals). Of these, 600,000 meals were served through curve side. We were able to get the help of high school students involved in the distribution of meals.

This year we are able to afford free meals again. However still face the following challenges:

- Staff shortages
- Disposable shortages
- Food shortages

We are focusing in National Lunch Month at schools. Our students will continue to have the opportunity to try new local items such as zucchini and bell peppers in the upcoming two weeks.

Every 3 years we are required to review our wellness policy. We will be completing this review by the end of the year.

III. Health Services Department Update

Therese Highnote, Director of Health Services

October 29, 2021 is our upcoming snapshot date. We will continue to offer once a month shot immunization opportunities for our community.

We currently have a short sub list. All of our nurses are working on becoming certified CPR/AED instructors by the end of the semester. This month we are focusing in October “Ready in Schools”, and working on the mandatory screenings.

Covid-19 Testing Center continues to offer test for students and staff. We are still operating 3 lines, staff testing, student appointment testing, and a mitigation line.

Proclamation 2022

H.C. Grimet PE, Health & OLC Coordinator/Paulette Savoie C&I Elementary Coordinator.

PE & Health TEKS are new for 2022-23. The last revision was in 1998. This will be a three-phase process.

Phase 1: A canvas course that explains the TEKS will be shared so teachers, parents, and counselors can review the material options and give feedback. This will be available November 15-December 15, 2021. We will follow with an optional zoom meeting for questions and answers.

Phase 2: At our next SHAC meeting on January 13 we will consider and review all feedback. This is where the SHAC committee will approve or deny the materials under review.

Phase 3: The final recommendation is presented to the Board at their Board meeting.

Our job is to review and approve or deny the submitted data submitted by our community.

Announcements

Our next SHAC meeting time has been changed to 1:00 pm -2:30 pm.

Next Meeting

Thursday, November 18, 2021. | 1:00pm-2:30pm, Food and Nutrition Department.
