RESERVATION PROCEDURES AND GUIDELINES

Reservation Forms

Groups organizations or businesses considering rental of Legacy Stadium, or any portion thereof, must submit a signed *Facility Reservation Request Form, Exhibit I* (**Katy ISD faculty and/or staff may not represent an external client in order to circumvent the Facility Rental process or Related Fees**).

Insurance

Groups organizations or businesses shall maintain, at their sole cost and expense, comprehensive general public liability insurance from an approved company authorized to do business in the State of Texas in which the group organization or business is named as an insured and Katy ISD is named as an additional insured with limits of not less than one million dollars (\$1,000,000) for the period of time set forth in the reservation request. The insurance policy must reflect that it is primary and not secondary or contributory with any insurance maintained by the District. The insurance policy may not be canceled prior to the conclusion of the term of this reservation without ten (10) business days advance written notice to the District. The policy must also include coverage for bodily injury, including death, property damages, deprivation of civil rights or civil liberties, defamation of character, libel, slander, and other similar causes of action; the group or organization waives any right of subrogation against the District in connection with any insurance proceeds received by or due to the District. Groups organizations or businesses shall furnish, not less than ten (10) business days in advance of the date for the facility reservation, a certificate showing such insurance to be in effect. Groups organizations or businesses should understand and agree that if it fails to provide timely evidence of such insurance sufficient to provide primary insurance coverage to the District for all risks and limits described herein, the District will prohibit the use of the facility and any deposit will be forfeited without waiver of the District's rights to recover any other damages for such breach.

Cancellation

Groups, organizations and businesses in Classifications C, D, E, and F that rent District facilities must provide a minimum of 72-hour advance notice of a cancellation, (excluding PACs, Gerald D. Young Agricultural Sciences Center, and the Merrell Center). Failure to provide adequate cancellation notice may result in the group/organization or business being billed for a minimum of three (3) hours for all scheduled employee services.

Payment of Fees for Rental and Employee Services

Payment of the full estimate of charges is due no less than (10) ten business days prior to the client's first day of facility usage. Immediately following the event and post-event inspection, the Maintenance & Operations Department will notify the group/organization or business renting Legacy Stadium of the final, actual charges through the use of an Event Audit Report. The Event Audit Report will reflect gross receipts (if applicable), rental fees, employee services, equipment rental, and/or necessary costs of repairs to the facility. Payment will be due immediately upon receipt. The balance owed must be paid in full prior to the next event in a series taking place. Failure to make payment will result in denial of future use. In the event that the actual charges are less than the estimate and deposit, the group/organization or business will be reimbursed the difference no later than thirty (30) days following the use of the facility. Premium rates will be charged for employee service fees at all facilities on designated holidays as specified in this exhibit.

Procedures for reserving/renting facilities at Legacy Stadium:

The following information has been developed to assist groups/organizations and businesses considering rental of Legacy Stadium. The proper procedures and/or guidelines for submitting and completing reservation forms for facilities at Legacy Stadium are briefly outlined in this packet. In addition to the Legacy Stadium procedures/guidelines, groups/organizations and businesses must also adhere to the requirements and procedures outlined in the Board Policies and Administrative Regulations at GKD and specific details as stated in the rental agreement.

1. All groups/organizations and businesses should contact the Katy ISD Maintenance & Operations Department to initiate rental of the facilities at Legacy Stadium. Reservation requests are accepted up to three (3) years in advance of an event. Requests should be submitted as early as possible to ensure availability.
2. Upon submission of the Facility *Reservation Request Form*, the Maintenance & Operations Department will determine the group/organization or business's classification type and check for facility availability. If the facility is available, the group/organization or business's Contact Person will be notified and an initial consultation session arranged. The initial Consultation Session will review the technical requirements—sound, lighting, cue sheets—so that desired services can be determined and documented.
3. The Maintenance & Operations Department will provide the Contact Person with an estimate of charges for the event. If the estimated fees are acceptable to the Contact Person, the group, organization or business will be required to sign a rental agreement specifying terms of use, and the deposit, payable to Katy ISD, must be received in order to officially confirm the reservation.
4. A Consultation Session will be held approximately thirty (30) days prior to the event to finalize equipment needs and technical plans for the event.
5. Payment of the full estimate of charges is due no less than (10) ten business days prior to the client's first day of facility usage.
6. Proof of required insurance must be received at least ten (10) business days in advance of the event.
7. Any sound/audio materials (audio or video cassettes/tapes, CDs, etc.) should be provided to the Maintenance & Operations Department and the designated Event Coordinator a minimum of five (5) business days in advance of the event to facilitate quality and sound checks prior to the event. A back-up copy of each item should also be provided. Each item should be clearly labeled with track, start/end time, etc.
8. A Pre-Event Inspection will be conducted by the Maintenance & Operations Department and/or Event Coordinator and the Contact Person immediately prior to the group/organization or business occupying the facility for the event. A Post-Event Inspection will take place at any time from immediately following the event up to within 24 hours of the event depending on the timeframe of the next scheduled facility rental. **The purpose of the initial inspection is to determine the condition of the facility prior to occupancy by the group while the latter is to ensure that the facility has been returned to its pre-event condition at the conclusion of the rental period. All property of the group/organization, or business including stage props, sets, etc., must be removed prior to the Post-Event Inspection.**
9. Immediately following the event and post-event inspection, the Maintenance & Operations Department will notify the group/organization or business renting Legacy Stadium of the final, actual charges through the use of an Event Audit Report. The Event Audit Report will reflect gross receipts (if applicable), rental fees, employee services, equipment rental, and/or necessary costs of repairs to the facility. The prepaid estimate of charges and the deposit will be applied toward the final charges for the event. The Maintenance & Operations Department will issue a final invoice for the balance owed. Payment will be due immediately upon receipt. The balance owed must be paid in full prior to the next event in a series taking place. Failure to make payment will result in denial of future use. In the event that the actual charges are less than the estimate and deposit, the group/organization or business will be reimbursed the difference no later than thirty (30) days following the use of the facility. Premium rates will be charged for employee service fees at all facilities on designated holidays as specified in this exhibit.

Equipment Rental Rates -- Special Services, Equipment and Labor: (Will be determined at a later date as equipment is ordered and ready for use.)
