

## What is a School-Parent Compact?

Our annual School-Parent Compact offers ways we can work together to help students succeed. This compact provides strategies to help connect learning at school and at home.

### Jointly Developed

Parents and staff, working together, shared ideas to develop the school-parent compact. Our Title I Committee and Campus Advisory Team hold meetings each year for input on this compact.

Parents are welcome to provide feedback at anytime. Feedback will be collected and reviewed during annual revision meetings.

### Parent Communication Opportunities

Winborn Elementary recognizes the importance of frequent, consistent and specific communication with parents.

Parent Teacher Conferences will take place during the fall semester each school year. Student reports are issued every nine weeks, in addition to progress reports. You can also get grade information on the Home Access Center (HAC).

Class Dojo text messages will be sent to all parents who sign up throughout the year.

Volunteering and participation opportunities are available throughout the year. Contact our PTA President at [President@WinbornPTA.org](mailto:President@WinbornPTA.org) or our VIPS Liaison at [Fundraising@WinbornPTA.org](mailto:Fundraising@WinbornPTA.org).

## Building Partnerships

Winborn Elementary is committed to providing families with resources and opportunities for learning in order to assist parents in working with their child.

A Variety of Parental Involvement opportunities and Family Learning Nights are offered throughout the year, providing information on topics such:

- Helping your child in Math and Reading
- Understanding tests and assessments
- Grade level learning expectations
- Helping with Homework
- And more

All parents are invited to request specific topics of interest as well. Winborn Elementary sends home a weekly and monthly newsletter with news on upcoming Parent Involvement events and other helpful information.
