

# Spartans Clubs 2022-2023

If you are interested in joining a club here at SLJH see the bulletin board in the main hallway down by 6<sup>th</sup> and 7<sup>th</sup> grade math and science classrooms. Information will be posted on how to join, or you can find the most updated list of clubs and their sponsors on our school website under the “Student” tab.

| Club                                  | Description   |
|---------------------------------------|---|
| <b>American Sign Language (ASL)</b>   | Learn the basics of sign language and find ways to connect with one another using a different form of communication.  |
| <b>Board &amp; Card Game Club</b>     | Competitive? Do you enjoy having fun with others? Come join the board game club. Bring your family’s favorite board game and teach others how to play.  |
| <b>Book Club</b>                      | SLJH breakfast book club meets on Wednesday mornings in the library to discuss a book(s) that we have read. We select books as a group and meet until we complete the book. We will do several different books throughout the school year. Members can decide which book discussions they would like to participate in. |
| <b>Building with Legos Club</b>       | Opportunity for students to build hands on Lego creations. They can bring in creations or pictures of previous creations, share Lego ideas, and have competitions of most epic creations.   |
| <b>Chess Club</b>                     | Students who apply must know basic piece moves, check, check mate, and provide transportation after meetings. Special and strategic moves will be taught in our sessions after school. (Castling, en passant, opening, middle, and end games such as Queen's Gambit, Baltic Defense, Sicilian Defense.                  |
| <b>Competition Math Club</b>          | A club for students who want to participate in math competitions that test numbers sense, calculation, and problem solving. Competitions include TMSCA, AMC, and Math Counts Competitions   |
| <b>Crafting Club</b>                  | It does not matter if you are crafty or not, come learn a new skill or just have time doing something you love. This is a great opportunity to make time for you!   |
| <b>Ink &amp; Fable (writing club)</b> | An opportunity to write, share and encourage other writers. A great way to grow and experience many different forms of writing from essays to poetry. If interested enter your writing into local contests.   |
| <b>Jewelry Club</b>                   | Fulfill your creative side by joining the Jewelry Club. Learn from one another new techniques or start a new fashion trend.   |
|                                       |   |

|   |   |
|---|---|
| <b>Literature Club</b>                      | Have a sweet tooth? Come join this club while members write poetry together, discuss poems, and talk about good book recommendations.   |
| <b>National Junior Honor Society (NJHS)</b> | The National Junior Honor Society (NJHS) elevates a school's commitment to the values of scholarship, service, leadership, character, and citizenship. These five pillars have been associated with membership in the organization since its inception in 1929. <u>Club for 8th graders.</u>      |
| <b>Science Olympiad</b>                     | Science Olympiad is a STEM competition in which teams of 15 students compete in 23 events from various scientific fields, such as Anatomy and Physiology, Tower Building, Rocks and Minerals, Forensics, and more. Events can generally be separated into three categories: Study, Build, and Lab |
| <b>Spartans Unite</b>                       | A club that unites the various cultures seen around the hallways here at SLJH. It is a great way to connect, share about your culture and support others. Great club if you are new to the area and are looking for a new friend.   |
| <b>Speech and Debate</b>                    | Provides SLJH students with unparalleled access to an organization that provides opportunities to enhance public speaking, reasoning, and argumentation skills. High school speech and debate students mentor the junior high students and support their growth.                                  |
| <b>Twisted Stitches</b>                     | Have you ever crocheted or knitted before? Come learn the basic skills of crocheting or knitting. It is a great way to connect with other skilled artists. NEEDLES to say, you'll be HOOKED!  |
| <b>Yo-Yo Club</b>                           | Ever heard of Bill de Boisblanc? He is a yo-yo master practicing since the 1950s. Join the yo-yo club to learn the five styles of tricks a yo-yo can do.  |
