CLASS RANK

KISD uses a weighted 4.0 grading scale. Class Rank is based on a cumulative grade point average for grades 9-12, plus high school courses taken in junior high and credits earned via pre-approved Katy ISD provider(s). A student's GPA is calculated by dividing the total number of grade points by the number of semester courses attempted. Students are officially ranked for the first time after the fifth semester in high school. A full year, one period course consisting of two semesters is equivalent to one credit.
