

Dear Class of 2026 Freshmen:

Katy High School proudly announces its 29th annual Freshman Orientation and Dance! Supervised upperclassmen host the incoming freshmen for an informative and fun-filled day of becoming acquainted with the West Campus and the Main Campus buildings, motivational sessions, a tour of the entire campus, pep rally traditions, and school song. Included in your registration is an official Class of 2026 shirt. Additional shirts are available for purchase. Students will have the chance to meet some staff members, administrators, and counselors, as well as make new friends.

Can't join us during the day because you have something else going on? That's okay. All Freshmen are welcome at the dance that night from 6:00-8:00 PM. And you can still order a class t-shirt too.
