I'm getting my license soon. Can I purchase my parking permit with my learner's license?

No. You must have a driver's license. You may purchase once you get your driver's license. Permits are sold daily during the school year.

Parking Information for 2022-23

My car has paper plates. Can I purchase a permit?

Yes. You will fill out the info and give the temporary license plate. Once the permanent plates arrive, you will need to go to the 11th Grade AP office to update your information.

Temporary Tags

If a student must drive a vehicle other than the one registered on campus, they must request a Temporary Parking Tag from the 11th grade AP office on the day they drive a different vehicle. They will need to provide the License Plate number of the vehicle they are driving. Temporary permits are issued for one day at a time unless a written request from a parent, which includes the length of time the permit is needed, is presented.

Vehicle Change

If you need to change which vehicle is registered on campus, please go to the 11th Grade AP office to update your information
