***Visit your Student's Teacher(s)**

There is not a scheduled time for you to see each of your child's teachers. You may go and visit any of your student's teachers at any time from 6 p.m. - 7:30 p.m.

Session Descriptions:

AP/KAP COMMITMENT

This session will have seasoned teachers provide suggestions for how to help the student who is taking AP and KAP courses when it seems overwhelming. They will discuss the commitment form that each student and parent sign.

COLLEGE AND CAREER READINESS & CTE

Learn more about the exciting Career and Technical Education (CTE) classes and certification opportunities at Taylor High School that prepare students for success in the workforce, military, or postsecondary education.

CHECK GRADES/STUDY SKILLS

Checking your child's grades and study habits are a great way to make sure that your child is getting the most out of high school. If you are not familiar with Home Access Center, stop by and we can assist with logging on and using the program.

MENTAL HEALTH

Come learn how to access a list of community resources through Katy ISD. Also, learn how THS is making mental health a priority through the Mental Health Alliance (MHA). The goal is to educate students on a variety of topics that they or their friends may be dealing with and give them tools on how to manage it.

UIL ELIGIBILITY AND GRADES

Come learn the basic UIL standards for eligibility. The Academic eligibility calendar will be shared as well as information on No Pass/No Play and courses that are exempt from those rules.

WHAT TO DO WHEN STUDENTS STRUGGLE IN MATH

In every students' math career, struggle happens at one point or another. This session will give some tips on how to help your student navigate through the struggle. We will provide strategies for students.

STAY CONNECTED

Learn how to sign up for information through eNews, Canvas and Social Media to stay on top of about all the happenings at Taylor High School and so you don't miss important deadlines and events.

MANAGING THE MADNESS

This session will provide tips and resources for managing the expectations that high school brings. Learn how to help your student manage their time with organization and structure so that they can ensure time for everything.
