Comprehensive Needs Assessment

Demographics

Demographics Summary

We have a very diverse population at Cinco Ranch Junior High. We have a large special education population with many of them included in our general education classrooms. We also have a significant EB population as well.

Our staff is a healthy mix of experience, expertise, and backgrounds. They are all student-centered and want to do what is right for kids.

The community is supportive of the school as a whole. Our students come from single-parent families or dual-income families, which creates an eager group of regular volunteers. Our PTA is strong, supportive, and dependable.

Demographics Strengths

Our diversity makes us stronger as a community, and we have great student involvement. Our inclusive attitude towards all of our students allows them to have a window to the world.

Student Learning

Student Learning Summary

CRJH STAAR 2023 Results

TBD- Results expected August 2023.

Student Learning Strengths

Students utilized educational technology to enhance their knowledge. Students learned how to balance academic priorities with social and emotional needs, as our school focuses on the whole child model. Our students embraced the transition to online assessments and overall did very well.

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): Attendance has decreased since 2020 causing students to miss first teach instruction and use extended learning (Advisory) to complete missed work. **Root Cause:** Original cause was COVID. Attendance has increased some but not as much as we'd like.

School Processes & Programs

School Processes & Programs Summary

We support a number of programs for a variety of student needs, some are cluster sites for the district. They are:

Life Skills

JCAP

ASIP

RISE

Emergent Bilingual/Newcomer

School Processes & Programs Strengths

Our fine arts department is a strength that allows students to experience the world of music and arts as they explore all avenues of their development and growth as a young teenager.

Our athletic department fosters goal setting, monitors progress and encourages teamwork that helps our students to build unparalleled confidence in who they are as a student at CRJH.

Our students embrace the independence that we permit them to experience on their journey to high school and beyond.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1 (Prioritized): Based on the results of our bullying survey, the bathroom and hallways were where most bullying took place. **Root Cause:** Lack of consistency among staff implementing CRJH expectations.

Perceptions

Perceptions Summary

We have a culture that values and appreciates differences. We encourage students to experiment with different school activities, so they can narrow down their focus and find their passion. We believe that all students deserve a great education and a great school experience.

Perceptions Strengths

A staff that does not tolerate malicious teasing or making fun, but does value relationships, humor, and kindness. A student body that feels more confident and comfortable the longer they are a student here. As parents form relationships with the professionals in the building, they too become more relaxed and participatory.

Problem Statements Identifying Perceptions Needs

Problem Statement 1 (Prioritized): Include more parents and community members in activities and initiatives. **Root Cause:** The age of the children, social climate, economic climate, political climate, safety measures.

Priority Problem Statements

Problem Statement 1: Based on the results of our bullying survey, the bathroom and hallways were where most bullying took place.

Root Cause 1: Lack of consistency among staff implementing CRJH expectations.
