Katy Independent School District
Davidson Elementary
2023-2024 Campus Improvement Plan
Mission Statement

Together with our community, the Davidson staff will provide a nurturing environment committed to excellence in achievement for all. Students will be challenged and provided an educational foundation which enables them to become collaborative, creative, productive adults who thrive in an ever-changing global world.

Vision

Davidson Elementary is a caring community that values diversity and prepares every child for the future in an ever-changing world.

Comprehensive Needs Assessment

Demographics

Demographics Summary

Davidson Elementary has a reputation for being a warm and welcoming school where students thrive academically and socially. While we have a history of academic success, there are areas we need to focus on in order to continue to provide the very best learning opportunities for our students. The staff at KDE has a true heart for children, and we are committed to doing all that we can to be the very best for our Dragons. Throughout this year, we will be learning and growing right alongside our students.

Throughout this year, we will be learning and growing right alongside our students. Keiko Davidson Elementary is a neighborhood school serving PreK through fifth-grade students. Davidson also has Lifeskills, ASIP, YCAP, and Early Childhood Special Education (ECSE) units. This is the eighth year the school has been opened. Davidson has a diverse population of students from all over the Houston area, Texas, the United States, and many countries such as Mexico, India, China, Africa, Canada, Europe, and South America. Due to our diverse population, we also have 24.0% English Language Learners on our campus. Davidson has 14.9% Economically disadvantaged students. Our mobility rate is 7.1%. Our demographics currently breakdown as follows: White 32.06%-362 Students Asian 37.56%-424 Students Hispanic 15.15%-162 Students Black 8.63%-97 Students Two or More Races 5.31%-60 Students American Indian/Alaskan Native 0.27%-3 Students Native Hawaiian Pacific 0.35%-4 students.

Demographics Strengths

Keiko Davidson has many demographic strengths. Davidson has students that come from 39 different countries. Our students learn to celebrate and embrace cultural diversity. Our mobility rate is low, and this allows our students to grow up within our community. Our families are truly invested in KDE

Problem Statements Identifying Demographics Needs

**Problem Statement 1:** Special Education students are underperforming general education students on state assessments.  
**Root Cause:** Student data is not utilized to drive instruction for individual students. Students may need adjustments to their programming.
Student Learning

Student Learning Summary

Davidson Elementary is an eight-year-old campus of Pre-Kindergarten through fifth-grade students in Katy ISD. We are a diverse community of white, Asian, African American, and Hispanic students. Approximately, one-fourth of our students are in the ESL program. We have an involved community that consistently supports student learning and achievement. The current needs at Davidson Elementary are to provide instruction to a very diverse population of students. A fourth of our students are in the ESL program. We are charged with assisting students to become proficient in English at a fast pace. We have 33 different languages spoken and a large population of students from many different countries and different states in the United States. This provides unique opportunities to fill in learning gaps and teach children from very different academic backgrounds. In addition, we have many academically able students who require enrichment learning opportunities for their continued growth and success. We are continuously growing with a current enrollment of 1129 students in a thriving young neighborhood of families. we have experienced an increase in our low-income and special education students. Our students do well overall academically, and our families are engaged in the education of their children. Overall, our students are happy and engaged at school and enjoy learning

Student Learning Strengths

Our students love to learn and are happily engaged in learning. Our families are supportive and provide rich experiences for their children that enhance the overall educational experience. Our students consistently score above state and district average on all state assessments.

Problem Statements Identifying Student Learning Needs

Problem Statement 1: Special education students are underperforming general education students on state assessments Root Cause: Student data is not utilized to drive instruction for individual students. Students may need adjustments to their programming.
School Processes & Programs

School Processes & Programs Summary

Davidson Elementary has high-quality staff members who are eager to work in Katy ISD and at Davidson. We seek out teachers who are called to the profession and who are committed to creating relationships with our students. We support teachers in their professional development and in creating teacher leaders. We can select the highest quality teachers to teach at Davidson due to continued support for growth and a supportive and encouraging community. Parents, teachers, and students at Davidson Elementary take pride in their school and the school's reputation for success. The perception of Davidson is that it is already a school that offers a safe and positive environment with a strong focus on academic excellence. We have a high standard for best instructional practices as well as building social character. Davidson's focus goes far beyond just STAAR scores. Our commitment is to keep students at the center of all of our decisions. As a result, learning is of paramount importance. When our students do not learn, we make adjustments to instruction, the school context, and the organization. We work hard to ensure that instructional time is protected. Teachers and students are kept in the classroom as much as possible and are not removed for unnecessary reasons. Teachers value the planning time that they have with their teams and our instructional coaches. They prepare for their individual classroom instruction by using outstanding group plans. There is a healthy sense of urgency among the staff that promotes professionalism and unity of purpose. Davidson utilizes current technology through computers, laptops, i-pads, and other communication devices students bring from home. Our community receives digital information weekly from our grade levels and school. In addition, we use the eBlast system and social media to communicate immediately with our families.

School Processes & Programs Strengths

Davidson staff is a highly experienced group of professionals with a commitment to their own and their team's professional growth. We provide Instructional Coaches to support lesson planning and high-quality assessments. Our mentor program encourages teachers to continue in the teaching profession. We recruit teachers from all over the Houston area, our state, and out of state to create an environment that is diverse. This matches the community in which we live. Teachers consistently review data from lessons and assessments to provide instruction based on the students' needs. KDE utilizes the workshop model for instruction incorporating mini-lessons, independent work time, partner/small group work, and teacher conferences. Our technology strengths include i-pads, mobile Chrome Book carts, mirror 360, smart panels in each classroom, and front-row sound systems. Davidson is proud of the following strengths: 1. Teachers are aware of the urgency of using best instructional practices and the rigor of the TEKS. 2. Teachers accommodate special populations through IEPs, 504 Accommodations, and MTSS accommodations. 3. MTS is utilized for academic and behavioral concerns for students. 4. Our master schedule and calendar maximize the amount of time spent on instruction. 5. Safety drills are performed frequently and efficiently. 6. Teachers are focusing their professional development in areas of literacy, math numeracy, problem-solving, talk across content, and social and emotional needs.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: Special education students are underperforming general education students on state assessments Root Cause: Student data is not utilized to drive instruction for individual students. Students may need adjustments to their programming.
Perceptions

Perceptions Summary

Our theme this year is Hanging 10.

The culture and climate at KDE is one of positive encouragement, kindness, and family. We practice PBIS - Positive Behavior Support for our students. Teachers are trained in Love and Logic, Trauma-Informed Practices, and Capturing Kids' Hearts. We have a staff and community which values high academic achievement. We support service to others through our Staff Initiatives, Read Deed Run Program, Student Council, KDE Kindness Crew, Special Buddies, Safety Patrol, and Purposeful People service projects. We are continuing the House System this year inspired by the Ron Clark Academy.

We are truly focused on creating a true family at KDE. Davidson Elementary has a wonderful group of volunteers who assist in the cafeteria, workroom, library, fundraisers, school store, and campus events. Our community is highly involved in after-school programs such as Read Deed Run, Choir, Robotics, Mad Science, Dragon Times Newspaper crew, and Dragon Academy. Families attend our school events and support campus initiatives. PTA sponsors a Trunk or Treat, Mother/Son, Daddy/Daughter, Spirit Nights, Parent Speaker Series, and other family programs. Our staff works to create positive community interactions through newsletters, Meet the Teacher, Grade level orientation meetings, conferences, newsletters, and social media.

Perceptions Strengths

Davidson has established a culture of academic success and commitment to service. Campus data indicates that PBIS is effective and used school-wide to make a difference in positive teacher and student interactions. Davidson implements many different opportunities for learning and incorporates fun activities for students both during and after the school day. Davidson Elementary School has a high degree of parental involvement through a variety of different programs including carnival, spirit nights, movie nights, watchdog dads, mother and son, father and daughter, and many more events.
Priority Problem Statements
Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

**Improvement Planning Data**
- District goals
- Campus goals
- HB3 Reading and math goals for PreK-3
- HB3 CCMR goals
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)
- Planning and decision making committee(s) meeting data
- State and federal planning requirements

**Accountability Data**
- Texas Academic Performance Report (TAPR) data
- Student Progress Domain
- Closing the Gaps Domain
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Accountability Distinction Designations

**Student Data: Assessments**
- State and federally required assessment information
- STAAR current and longitudinal results, including all versions
- STAAR released test questions
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Student failure and/or retention rates
- Local diagnostic reading assessment data
- Local benchmark or common assessments data
- Running Records results
- Observation Survey results
- Istation Indicators of Progress (ISIP) reading assessment data for Grades PK-2
- Texas approved PreK - 2nd grade assessment data
- Texas approved Prekindergarten and Kindergarten assessment data
Goals

Goal 1: All learning environments will foster engagement by integrating personalized learning experiences.

Performance Objective 1: HB3: The percentage of Davidson Elementary 3rd grade students who achieve Meets and above in Math on STAAR will increase to 77% by July 2024.

HB3 Goal

Evaluation Data Sources: STAAR
