Comprehensive Needs Assessment

Demographics

Demographics Summary

Student profiles:

- White: 45.1%
- Asian: 24.7%
- Hispanic: 18.8%
- African American: 7.0%
- American Indian: 0.1%
- Pacific Islander: 0.0%
- Two or more races: 4.3%
- Economically Disadvantaged: 24.8%
- English Learners: 11.5%
- Special Education: 9.7%
- Attendance Rate: 97.5%
- Mobility Rate: 9.9%

Demographics Strengths

A well-rounded and diverse group of students and teachers.
Student Learning

Student Learning Summary

School Report Card Data

2022 STAAR Scores

- Reading: 96%
- Math: 97%
- Algebra: 100%
- Social Studies: 94%
- Science: 97%

Student Learning Strengths

Each year McMeans students show a high level of learning through both state testing data and local testing data.
School Processes & Programs

School Processes & Programs Summary

Programs:

ESOL Sheltered Classes
Special Education Services
504 and RTI/MTSS Services
KAP Classes
Gifted and Talented Classes

School Processes & Programs Strengths

McMeans continues to improve each program yearly by including teachers, staff, and students in the development of the learning process being used.

Many programs are being implemented each year to further assist our growing students in their future. Some of these updates include:

* Class sizes 22 academic and 32 KAP

*Full-day strategic reading

*Full day math lab

* Added Science and Social Studies full day teaching units

* Incorporating block ELA classes for a 90-minute class
* Smaller special education classes
* Incentives for teachers to be in their classrooms on a daily basis
* Grade level Assistant Principals will have a deeper knowledge of their students and what their needs are
* Character Strong
* Implementing the Fundamental 5 book for teachers and focusing on critical writing
* Watching students closer who are failing or are close to failing find strategies to help them improve
* Mission McMeans - a morning tutoring program continuing on Tuesdays and Thursdays
Perceptions
Perceptions Summary

McMeans is committed to excellence, providing a rigorous academic curriculum to meet the needs of all students. Academic, Pre-AP, and Gifted classes are offered in each core curriculum area. Many elective classes, including beginning instruction as well as advanced performing groups in the band, choir, orchestra, theatre, and art, are offered to meet the diverse interests of McMeans students. A strong technology curriculum is offered, as well as family and consumer science classes, which focus on personal responsibility and leadership skills.

McMeans is also committed to providing students many opportunities, both academic and extracurricular, to help them become productive and responsible members of society. The school's athletic teams have achieved outstanding success, with seventh and eighth-grade students competing in volleyball, football, basketball, track, tennis, and soccer. Extracurricular activities also include Destination ImagiNation, Quizbowl?, Student Council, National Junior Honor Society, and No Place for Hate.

An active PTA and a well-developed volunteer program support the success of McMeans. More than 400 volunteers provide support in a wide variety of ways. Parents wishing to volunteer will be able to find an area where their skills are needed and appreciated.

Perceptions Strengths

Each year McMeans is given outstanding awards by the public for its high expectations of each and every person that walks through our doors.
Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

**Improvement Planning Data**
- District goals
- Campus goals
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)
- Planning and decision making committee(s) meeting data
- State and federal planning requirements

**Accountability Data**
- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Accountability Distinction Designations
- Federal Report Card and accountability data
- RDA data
- Alternative Education Accountability (AEA) data
- Local Accountability Systems (LAS) data
- Community Based Accountability System (CBAS)

**Student Data: Assessments**
- State and federally required assessment information
- STAAR current and longitudinal results, including all versions
- STAAR released test questions
- STAAR Emergent Bilingual (EB) progress measure data
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Career and Technical Education (CTE) Programs of Study data including completer, concentrator, explorer, participant, and non-participant information
- Compass Learning accelerated reading assessment data for Grades 6-8 (TEA approved statewide license)
- Think Through Math assessment data for Grades 3-8 and Algebra I (TEA approved statewide license)
- Student failure and/or retention rates
- Local diagnostic reading assessment data
- Local benchmark or common assessments data
- Running Records results
- Observation Survey results
- State-developed online interim assessments
- Grades that measure student performance based on the TEKS
Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data
- Migrant/non-migrant population including performance, progress, discipline, attendance and mobility data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Emergent Bilingual (EB) / non-EB data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender etc.
- Career and Technical Education (CTE) Programs of Study data including completer, concentrator, explorer, participant, and non-participant achievements by race, ethnicity, gender, etc.
- Section 504 data
- Homeless data
- Gifted and talented data
- Dyslexia data
- Response to Intervention (RtI) student achievement data
- Dual-credit and/or college prep course completion data

Student Data: Behavior and Other Indicators

- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Violence and/or violence prevention records
- Tobacco, alcohol, and other drug-use data
- Student surveys and/or other feedback
- Class size averages by grade and subject
- School safety data
- Enrollment trends

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- State certified and high quality staff data
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact
- Equity data
- T-TESS data
- T-PESS data

Parent/Community Data

- Parent surveys and/or other feedback
- Parent engagement rate
• Community surveys and/or other feedback

Support Systems and Other Data

• Organizational structure data
• Processes and procedures for teaching and learning, including program implementation
• Communications data
• Capacity and resources data
• Budgets/entitlements and expenditures data
• Study of best practices
• Action research results
• Other additional data
Goals

Goal 1: All learning environments will foster engagement by integrating personalized learning experiences.

Performance Objective 1: McMeans JH Math teachers will use technology to create personalized experiences that contain buildable learning lessons specific to individual academic needs while continuing on-topic concepts and spiral review.

Evaluation Data Sources: 1) Students will complete five online customizable online lessons per grading period
2) The Math Instructional Coach will prepare pathways based on current concepts and spiral reviews.
3) To best track student growth, students will take three assessment throughout the course of the year.
