Comprehensive Needs Assessment

Demographics

Demographics Summary
Paetow High School opened in 2017 with 750 students in 9th and 10th grades. This year we are projected to have 4034 students in 9th-12th grades. We have a staff of over 350 to help our students succeed! Our Community feeders come from Haskett, Stockdick and Mcdonald Junior High.

Demographic Breakdown:
Hispanic--46.78%
African American--27.88%
White--12.73%
Asian--7.94%
Two or More Ethnicities--4.19%
Economically Disadvantaged--54%
At-Risk--63.61%

Demographics Strengths
Paetow High School has a diverse student body that enriches the educational experiences of our school. We offer a full range of college and career preparatory programs to increase advanced learning at PHS. Paetow High School has experienced enormous obstacles since opening its doors, such as: hurricanes, freezes, and pandemics. As a result, Paetow High School has had to learn to adapt in order to continually progress. Staff and students value authentic relationships that have ignited our work towards greatness.
Problem Statements Identifying Demographics Needs

**Problem Statement 1:** Paetow is located in a high growth area increasing our population to over 4000 students for the 23/24 school year. **Root Cause:** Our campus is built in an area with master-planned communities and other smaller communities in our attendance zone. Onboarding new students is a priority.

**Problem Statement 2:**
PHS has an economically disadvantaged percentage at 63%, so our students have high academic and monetary needs. In addition, 47% of our students are At-Risk. **Root Cause:** Paetow students come from a wide variety of backgrounds potentially causes less personal access to resources. It is our responsibility to create experiences for students to allow them limitless possibilities.

**Problem Statement 3:** We have added about 120 new staff members due to growth in population and leadership growth. **Root Cause:** Student population growth translates to new staff being allocated and hired. We developed procedures to create a consistent method for ensuring our beliefs are translated to all staff.
Student Learning

Student Learning Summary

Paetow High School is still considered a new campus, as we are only 6 years old. We receive students from the quickly growing attendance boundary due to new home construction. Our administrative staff as well as Instructional Leaders and Teachers consistently review data and make extensive plans for teaching and learning for our students.

In the Spring of 2019, Paetow High School earned a "B" overall rating with an 82 score on the 2020-2021 School Report Card. Student achievement and school progress also were at a "B" average.

Distinction Designations were given in the following categories: ELA/Reading, Mathematics, Social Studies, Science, Comparative Academic Growth, Comparative Closing the Gaps, and Postsecondary Readiness.

Our attendance rate was 91.7%.

Student Learning Strengths

Paetow High School earned a "B" overall rating with an 82 score on the 2020-2021 School Report Card.

Distinction Designations were given in 7 of the 7 categories: ELA/Reading, Mathematics, Social Studies, Science, Comparative Academic Growth, Comparative Closing the Gaps, and Postsecondary Readiness.

Our students outperformed the state in all categories and surpassed the district average in the area of Social Studies.

Students STAAR scores for the 22/23 school year show growth in all five subject areas for approaches.

Problem Statements Identifying Student Learning Needs

Problem Statement 1: PHS is in its 7th year of operation. PHS state STAAR scores from 2022/2023 school year show decrease or low growth in the area of meets and masters.

Root Cause: Staff have not been trained on expectations of high level questioning, Depth of Knowledge questions, and differentiating up to allow for students to reach above their potential.

Problem Statement 2 (Prioritized): PHS overall attendance average from 22/23 school year is 91.6 percent, dropping below state average expectations.

Root Cause: Post Covid pandemic has allowed a mind set shift in community members when it comes to school attendance.
School Processes & Programs

School Processes & Programs Summary

**Instructional:** We have established specific Instructional Leadership Roles which will streamline communication from teachers through Team Leaders to Department Chairs and Instructional Coaches to Campus Administration. Our Instructional Coaches are here to assist all of our staff members including non-core content areas with lesson plan development, instructional strategies and higher level questioning.

**Curricular:** We have instituted Planning and Learning Days where our teachers meet with our Instructional Coaches to plan for student learning. During this time, our teachers will conduct learning walks, review data, create assessments, and plan for learning for themselves and their students.

**Personnel:** We have hired over 120 new staff members this summer in preparation for hosting over 4000 students. Administrations interviews and select candidates which are the best fit for our campus. We have a Lead Mentor to assist our brand new teachers with their transition into the teaching field. Each staff member new to the district receives a "buddy" teacher to help learn processes and procedures for our campus and district. We host new teacher sessions during the summer to introduce the teachers new to Paetow.

**Administrative:** This year we have ten administrators. 7 administrators are new to the team including associate and principal. Together we are working to revamp school processes and streamline all areas of communication.

**Counseling:** Our counseling staff has grown from nine to ten counselors. We have been given a College & Career Counselor who will meet with our Seniors and Juniors to develop plans after high school. We are continuing to pilot a program with a full-time PHS Social Worker. She will work in conjunction with our LSSPs and Lead Counselor to assist the Counseling Department as well as campus staff and students. In addition, we have added a Dropout Prevention Specialist who will work with our counselors and our added Professional Registrar.

School Processes & Programs Strengths

We have created partnerships with our direct feeder Educational campuses (Bethke Elementary and Stockdick Junior High) as well as our other feeder campuses in order to mainstream communication, parent involvement, and grow leadership. With new changes in leadership we hope to align policies with the feeder campuses so students are knowledgeable of all expectations.

Many processes are being updated and revamped, allowing for a new outlook and fresh start for staff and students.

Problem Statements Identifying School Processes & Programs Needs

**Problem Statement 1 (Prioritized):** At PHS school process and programs are not be widely known throughout the community. **Root Cause:** Due to the rapid community development, and leadership growth, we will have over 450 additional students as well as over 130 new staff members.

**Problem Statement 2:** The PHS admin team has 7 new admin members causing requiring extensive onboarding in systems and procedures. **Root Cause:** Change in leadership.
Perceptions

Perceptions Summary

for the 23/24 school year we came together as staff, parents and students and created a new mission and vision.

Mission: Paetow High School empowers and educates all learners through engaging experiences, authentic relationships, and celebrating achievements to ignite greatness in our community.

Perceptions Strengths

We have been very fortunate to have parent involvement through Meet the Staff nights, Booster Club formation meetings Fine Arts and athletic events, as well as community outreach. We have created a Student Leadership Council bringing together student leaders from groups across campus. We created a Senior Ambassadors program with over 55 Seniors who mentor underclassmen. An AP Ambassadors program was created in order to help new AP students and provide homework assistance across campus.

Problem Statements Identifying Perceptions Needs

Problem Statement 1 (Prioritized): The current perception of PHS from the community is one of concern of student safety. Root Cause: Negative social media and public news have outweighed the positive things our students have done in our school and community.
