# Comprehensive Needs Assessment

**Revised/Approved: August 4, 2023**

## Needs Assessment Overview

# Demographics

## Demographics Summary

Tays Junior High is a 7 year old, 6th through 8th grade campus in Katy ISD. Student enrollment is currently around 1500 students. This campus has the following student groups: 34% white, 22% Hispanic 31% Asian 9 % Black/African American, 3% Two or more races, <1% American Indian, and <1% Hawaiian/Pacific Islander.

## Demographics Strengths

1. Families to the area to attend the schools. As our school ages, we have created a culture of excellence for students and their families.
2. We create a nurturing environment at TJH. Our goal is to partner with families and build and maintain relationships for student success.

# Student Learning

## Student Learning Summary

Student success at TJH is attributed to many factors. First of all, there is a commitment to meet the needs of each and every student through quality first teach. We seek to provide quality instruction. However, when students require additional instruction and support, we provide many different targeted interventions to ensure student success. We have Math Lab classes and Strategic reading as well as small group targeted advisories. We provide systemic and student focused interventions. For our ESL & Special Education services, we implement a co-teach model. An additional intervention that we provide is tutorials before/after school as well as a reteach/retest process. During Advisory (Home base), staff is able to provide reteaching or extension as appropriate. In addition, we are providing HB1416 Accelerated Learning intervention during the school day, as well as using ESSER funds to reduce class sizes in targeted subject areas.

# School Processes & Programs

## School Processes & Programs Summary

Each grade level content team plans together at least two times weekly. Each team develops norms, road maps, posts essential learnings, administers common assessments and discusses data to determine additional learning support. Faculty meetings, Instructional leadership team meetings, and department meetings are held monthly. Grade level meetings are held each six weeks. We maintain a focus on uninterrupted instructional time. Instructional Coaches meet with teams during collaborative learning & planning time. RTI and 504 meetings are held with teachers to discuss and track individual student progress throughout the year.

Staff members receive a weekly bulletin each Friday highlighting the upcoming events and important reminders for the upcoming week.

Faculty, Department meeting minutes are sent electronically to fellow team members and administrators.

Staff members are frequently recognized for their hard work in weekly bulletins.

We are encouraging staff members to pursue their ESL certification.

Staff members receive a yearly one sheet calendar with events, meetings, due dates, schedules, etc. Organizational climate is focused on with treats/events for all staff members. Our Titans Together committee plans staff gatherings to build comradery amongst staff.

# Perceptions

## Perceptions Summary

At TJH, we build relationships so that we work together on any issues that arise on our campus. Because of the relationships, we are able to solicit feedback and work to solve the items brought to our attention. Each six weeks the district send out Culture and Climate Surveys to all staff. The administration team reviews the feedback after each survey and develops plans to address and concerns from the feedback as needed.

# Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

## **Improvement Planning Data**

- District goals
- Campus goals
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)
- Covid-19 Factors and/or waivers for Assessment, Accountability, ESSA, Missed School Days, Educator Appraisals, etc.

## **Accountability Data**

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Accountability Distinction Designations

## **Student Data: Assessments**

- State and federally required assessment information
- STAAR current and longitudinal results, including all versions
- STAAR End-of-Course current and longitudinal results, including all versions
- STAAR released test questions
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Student failure and/or retention rates
- Local diagnostic reading assessment data
- Local benchmark or common assessments data

## **Student Data: Student Groups**

- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Section 504 data
- Homeless data
- Gifted and talented data
- Dyslexia data

## **Student Data: Behavior and Other Indicators**

- Completion rates and/or graduation rates data
- Annual dropout rate data
- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- School safety data

**Employee Data**

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact

**Parent/Community Data**

- Parent surveys and/or other feedback
- Parent engagement rate
- Community surveys and/or other feedback

**Support Systems and Other Data**

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Communications data
- Capacity and resources data
- Budgets/entitlements and expenditures data
- Study of best practices

# Goals

**Goal 1:** All learning environments will foster engagement by integrating personalized learning experiences.

**Performance Objective 1:** All students will pass or meet the growth indicator of the STAAR Reading, Math, Social Studies and Science portions of the STAAR test. Tays Junior High will implement strategies to increase student performance.

**Evaluation Data Sources:** STAAR Assessment Data
