# Comprehensive Needs Assessment

## Needs Assessment Overview

### Needs Assessment Overview Summary

Our core content teams use common campus assessments each marking period. We use a variety of technological tools to provide on-going formative assessments of our students. We will continue to focus on supports to increase the number of students who approach, meet and master grade level standards on math, reading, writing, social studies and science STAAR assessments. Students participate in intervention classes, remediation and enrichment during Jag Time tutorials, enrichment before and after school, and tutoring during our Jaguar Academy two nights a week for additional learning opportunities.

According to our 2021-2022 STAAR data, student growth across all populations and content areas is a focus for this year with an increased attention on our SPED, White, and Asian sub-populations in reading and math. We will continue to differentiate instruction, utilize small group instruction, and offer tutoring and enrichment opportunities to increase the number of students who meet and master grade level standards.

# Demographics

## Demographics Summary

West Memorial Junior High is the second-oldest junior high in Katy ISD and opened its doors in 1976. Students are given opportunities to excel in all programs from academics to fine arts, athletics, and extra-curricular activities.

Our student population is composed of diverse learners with differing needs. We offer a curriculum that is rigorous but flexible. Katy Advanced Placement, Gifted and Talented and regular academic classes are offered in the areas of Math, Algebra, Science, Language Arts, and History. Programs also available include English as a Second Language, Reading Elective, Deaf Education, Special Education Resource, Math Intervention and Co-Teaching classes. Electives include theatre arts, Spanish, art, career and technology education, home economics, band, choir, orchestra, and publications. Athletics include football, volleyball, basketball, track, tennis and soccer. Extra-curricular activities include Student Council, National Junior Honor Society, Robotics, Cheerleading, Pep Squad, Destination Imagination, and various other clubs and organizations.

Our students are served by a dedicated staff which includes classroom teachers, coaches, paraprofessionals, a classroom technology designer, a diagnostician, a speech therapist, counselors, secretaries, clerks, and administrators. Numerous parent volunteers, our PTA, and community assist in providing our students and staff with quality activities and supports.

Our Jaguars Achieve Greatness and Success by Respecting Order and Accepting Responsibility J.A.G.S. R.O.A.R. This is our vehicle for teaching school-wide expectations. Information is based on 2021-2022 student data.

Our student population is very diverse and our students have diverse interests, backgrounds and experiences which contributes to the positive campus culture. Our staff members are supported through professional development including small group instruction, differentiating instruction for all learners, formative assessments, Character Strong curriculum, Restorative Practices, CHAMPS, technology training and content area specific professional development. Our staff is focused on growing to meet the needs of all learners. Our professional learning communities are strong and supported by instructional coaches and administrator. Our PLCs create engaging lessons, formative and summative assessments, and re-teach and re-test based on data collection. Each new teacher is supported by a mentor teacher.

### Problem Statements Identifying Demographics Needs

**Problem Statement 1:** We have an increased need for student support to reach our Newcomer, Sheltered and Emerging Bilingual Students. We will enroll approximately 25 Newcomer students, we educate approximately 60 Sheltered students and we will serve approximately 330 Emerging Bilingual students. **Root Cause:** District and community growth contributes to our changing demographics and an increased need for campus and staff professional development to meet the needs of our diverse learners.

# Student Learning

## Student Learning Summary

Spring 2022 STAAR Assessment Data

STAAR Performance 81 B

School Progress 87 B

Closing the Gaps 79 C

WMJH earned all 7 TEA Distinctions from TEA based on the Spring 2022 STAAR Assessment: ELA/Reading, Mathematics, Science, Social Studies, Comparative Academic Growth, Postsecondary Readiness, and Comparative Closing the Gaps.

## Student Learning Strengths

WMJH earned all 7 TEA Distinctions from TEA based on the Spring 2022 STAAR Assessment: ELA/Reading, Mathematics, Science, Social Studies, Comparative Academic Growth, Postsecondary Readiness, and Comparative Closing the Gaps.

## Problem Statements Identifying Student Learning Needs

**Problem Statement 1:** As we anticipate final score results for the STAAR Assessments 2022-2023, we anticipate certain student groups not meeting state targets for academic achievement. **Root Cause:** WMJH is continuing to differentiate instruction and utilize small group instruction to increase students' academic achievement for approaches, meets, and masters on STAAR Assessment data.

# School Processes & Programs

## School Processes & Programs Summary

We have four Instructional Coaches who routinely meet with each academic team to provide professional development, instructional support, to model lessons, to offer instructional feedback, to collaboratively review instructional and student data, and to provide support to teachers with district curriculum. The Instructional Coaching team and the Administrative team conduct learning walks to provide growth opportunities for all teachers, coaches, and administrators. Teachers are focused on improving small group instruction and consistently differentiating instruction to meet the needs of our diverse learners.

Our staff utilizes a variety of technological tools in the classroom including Smartboards, Smart panels, Chromebooks and I-pads. Staff members use the assistance of our Classroom Technology Designer to develop engaging lessons and to offer support through Canvas. Our media library specialist offers a parent night to assist our community/parents on the use of Canvas, Home Access Center, and other common district applications.

We communicate with our West Memorial Junior High community through Smore weekly newsletters and various social media platforms. This helps promote our campus events such as Cub Camp, Open House, Career Day, Veterans' Day Programs, Black History Programs, International Festival, and fine arts and athletics events.

Staff members are part of our hiring committees and have input on interview questions.

Our Safe and Civil Schools team and the use of Restorative Practices have allowed us to assess current discipline practices, data, and expectations. Our teachers also utilize the Character Strong program as our social-emotional learning program.

## School Processes & Programs Strengths

West Memorial Junior High staff feel supported. Our professional learning communities are strong and provide ongoing professional development opportunities for all.

Our staff is highly collaborative with instructional coaches, department chairs, administrators, and our testing coordinator to disaggregate data and evaluate the effectiveness of instruction and assessments. We vertically align instruction with our feeder pattern schools to improve student achievement.

Through the use of Safe and Civil Schools, Character Strong, Restorative Practices our campus continues to focus on building strong and positive relationships with students, parents, community members, and fellow staff. Our counseling staff offers a variety of guidance and support groups as well as supplementing Character Strong instruction. Our leadership team offers Jaguar of the Week, Motivational Mondays, and positive shout-outs to celebrate, recognize, and appreciate staff. Our students are rewarded through the use of Positive Behavioral and Intervention Supports, the ROAR store, Student of the Month and Character Strong recognition.

All stakeholders are given the opportunity to communicate through Campus Leadership Team, Campus Advisory Team, Student Round Table, Department Meetings, and grade level PLCs.

## Problem Statements Identifying School Processes & Programs Needs

**Problem Statement 1:** Our daily Jaguar Time structure will be varied due to unfinished learning, learning gaps, and Senate Bill 1416 requirements. **Root Cause:** The instructional and social-emotional learning environment will be impacted by Senate Bill 1416 remediation requirements. Due to Covid learning loss, our students are still closing achievement gaps.

# Perceptions

## Perceptions Summary

WMJH will continue to use Safe and Civil School practices, Restorative Practices, and Character Strong in addition to our discipline management plan to continue to build relationships with students and staff. Our staff will continue to use PBIS, the ROAR store, CHAMPS and social media to positively connect with our students.

We build community awareness and participation by promoting PTA and increasing communication via social media to connect with families. Activities such as our Town Pep Rally, Veterans' Day Program, and International Festival encourage community involvement.

During our Cub Camp for incoming 6th graders, our returning students welcome new students and families and orient them to West Memorial Junior High.

## Perceptions Strengths

According to campus and district data, students and staff feel safe coming to school. Students feel the WMJH staff knows them well and they can ask for help when needed. Students feel staff members are supportive and encouraging.

## Problem Statements Identifying Perceptions Needs

**Problem Statement 1:** Limited parental involvement in some campus activities including PTA membership. **Root Cause:** Parents have limited availability due to work schedules.
