Location of Performance Acknowledgements on a Transcript:

If a student has any Performance Acknowledgements, they will show near the end of the Transcript, most likely on the last page of the printed transcript (not in the HAC). They are located between the Endorsements and Test Scores. Currently, only number codes are given.

The descriptions of the codes for each Performance Acknowledgement are listed below. For example, the student in the screen shot above shows a code of 3 and 6 for College Readiness Assessments. If you look in the Performance Acknowledgement College Assessment section, you will see that a code of 3 = “Acknowledgment for ACT: Composite score 28 or higher”, and a code of 6 = “Acknowledgment for SAT: composite score of at least 1310”.

If a student does not have Performance Acknowledgements, nothing will show on the printed Transcript.
