

Student (Grades 6-12): Change Password or Security Questions

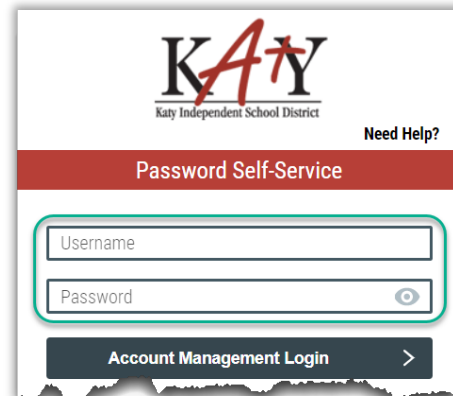

Visit the Katy ISD Password Self-Service tool

Type the following web address into any web browser:
passwordreset.katyisd.org

Change Password or Update Security Questions

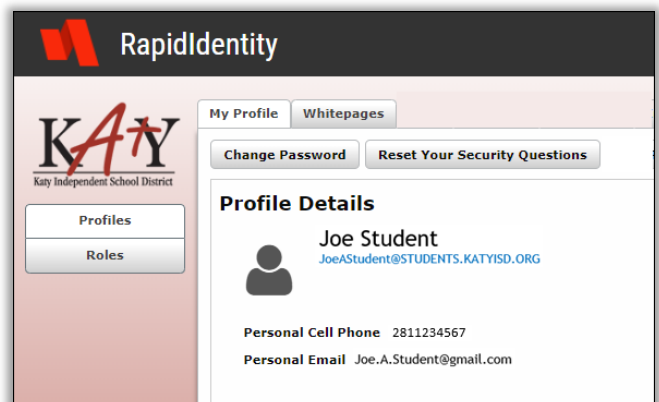

Enter your username and password, then click on **Account Management Login**.

From this screen you can:

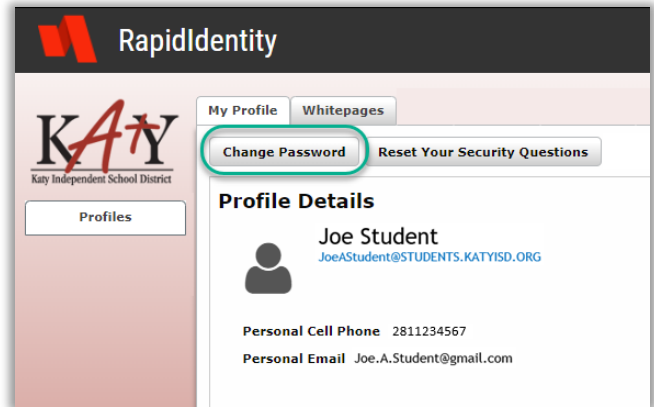

- Change Password ([read more](#))
- Reset Security Questions ([read more](#))

NOTE: If you need to update your email address or cell phone number, please see the Registrar at your campus for assistance.

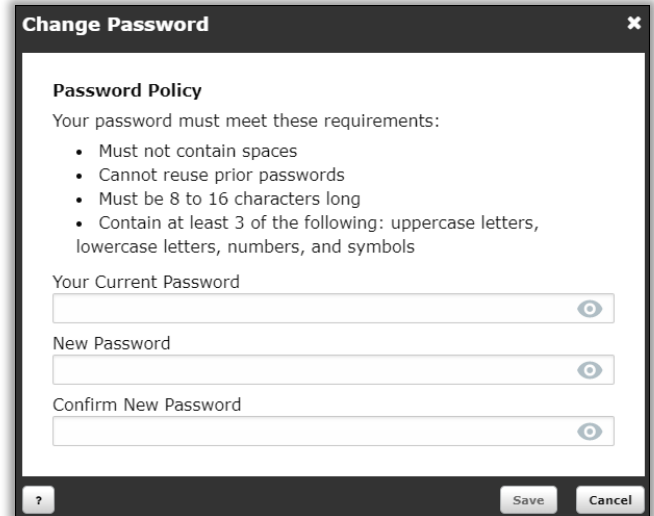

Change Password

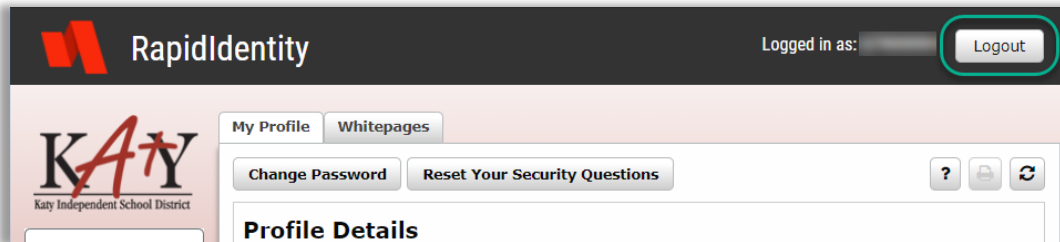

To change your password, click on the **Change Password** button.

Type in your current password and your new password as instructed, then click **Save**.

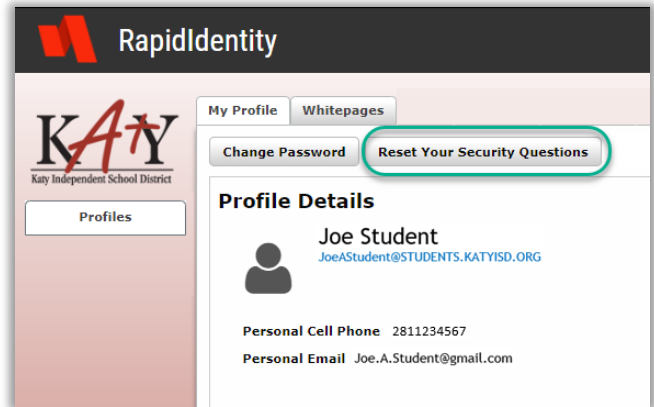

Ensure you **logout** of the Password Self-Service tool when finished.

Reset Security Questions

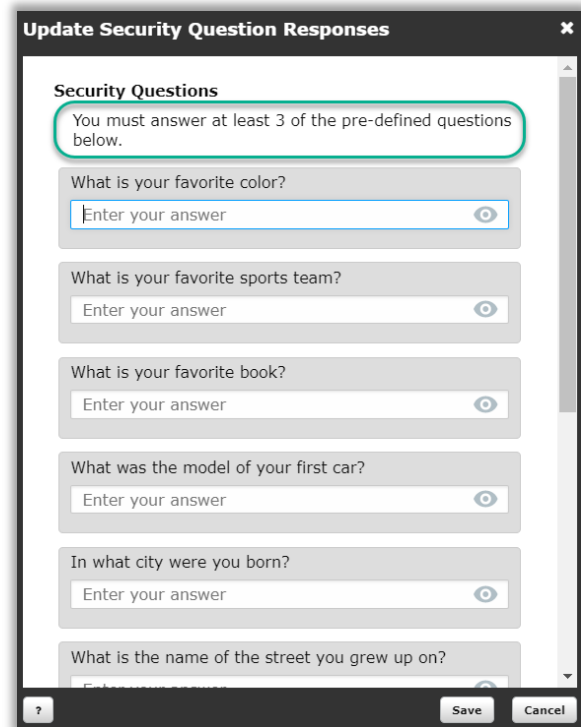

To change your security questions, click on the **Reset Your Security Questions** button.

You must answer at least 3 questions, but can answer more if you choose.

The answer must contain a minimum of 5 characters.

	Not Accepted	Accepted
