

# MyKaty: Textbook Guide

## Textbooks Tab

The Textbooks tab, located on the **menu bar**, allows students to access online textbooks.

Select **Textbooks** and a new page appears. The following subject folders contain online textbooks available to students.

Select a **textbook folder** and the books available in that folder will be displayed. If you do not see a textbook for your course, it is because an online version of that textbook is currently not available.

On the bottom left corner of the page, **navigation arrows** are displayed to return to all folders.

The menu bar may appear differently depending on which textbook folder was chosen.
